### **Aaron Buob Joins the MTB Team**

GREENWOOD VILLAGE, Colo. – MTB Project Management Professionals Inc. has announced that Aaron J. Buob has joined the company as coordinator of special projects.

Buob provides both traditional and nontraditional project support to MTB clients. He develops project and operational organization designs, assists with development of schedules and cost estimates, coordinates material expediting and logistics, and provides contract administration. He also serves as MTB's aviation and travel safety coordinator. Buob is completing degree work in aviation management and international business, and he has five years of practical experience in aviation, logistics and administration.

MTB is a leading international supplier of project and construction management services to the mining, environmental remediation, and industrial/commercial construction industries. The company also offers important ancillary services, such as mitigation and resolution of construction claims, financial analysis and due diligence, feasibility study preparation and review, logistics management, and project-related community relations.
