### **Dan Blakeman joins MTB**

GREENWOOD VILLAGE, Colo. – MTB Project Management Professionals Inc. has announced that Dan Blakeman has joined the company as manager of projects. In this role, he will oversee the work of MTB's project managers and other professional staff to ensure top performance and quality on all MTB projects.

Blakeman has more than 30 years experience in project management, engineering and design, construction management, and mine engineering and design. He holds a degree in metallurgical engineering from Colorado School of Mines and has worked in senior management and engineering positions on mining projects in the Americas, Australia and republics of the former Soviet Union.

MTB is a leading international supplier of project and construction management services to the mining, environmental remediation, and industrial/commercial construction industries. The company also offers important ancillary services, such as mitigation and resolution of construction claims, financial analysis and due diligence, feasibility study preparation and review, logistics management and project-related community relations.

Inquiries may be directed to MTB Project Management Professionals at (303) 741-9633, by fax at (303) 741-9636, or via email at [info@mtb-project.com](mailto:info@mtb-project.com).
