## **MTB Taps Wade Ellett as Senior Project Manager**

GREENWOOD VILLAGE, Colo. – MTB Project Management Professionals Inc. has announced that Wade N. Ellett has joined the company as a senior project manager.

Ellett has more than 35 years of experience in all levels of mining exploration, project development, management and operations. He has extensive international project development experience and also has executive experience in corporate development, strategic planning, market analysis, environmental and permitting, and health and safety. As a senior project manager, Ellett is responsible for all facets of MTB's work and quality of service on his projects. Currently he is managing development of the San Felipe silver project in Sonora, Mexico.

MTB is a leading international supplier of project and construction management services to the mining, environmental remediation, and industrial/commercial construction industries. The company also offers important ancillary services, such as mitigation and resolution of construction claims, financial analysis and due diligence, feasibility study preparation and review, logistics management, and project-related community relations.
