Kim Wright Joins MTB as Manager of Project Controls

GREENWOOD VILLAGE, Colo. – MTB Project Management Professionals Inc. has announced that Kim W. Wright has joined the company as manager of project controls.

Wright manages project controls for specific projects and is the supervising scheduler for all MTB projects. He has 35 years of experience in mining, project controls, scheduling and project engineering, and his background includes executive-level corporate management, schedule and cost engineering, claims and conflict resolution, and design and management of document control systems. He has extensive experience providing scheduling and project controls for complex transportation system projects.

MTB is a leading international supplier of project and construction management services to the mining, environmental remediation, and industrial/commercial construction industries. The company also offers important ancillary services, such as mitigation and resolution of construction claims, financial analysis and due diligence, feasibility study preparation and review, logistics management, and project-related community relations.

Inquiries may be directed to MTB Project Management Professionals at (303) 741-9633, by fax at (303) 741-9636, or via email at info@mtb-project.com.
