Robert Michel Joins the MTB Team

GREENWOOD VILLAGE, Colo. – MTB Project Management Professionals Inc. has announced that Robert S. Michel has joined the company as a project manager.

Michel has 24 years of experience as a project and plant operations manager, primarily in manufacturing. His experience has focused on building and maintaining strong, efficient operational organizations with emphasis on quality control. He is also a metallurgical engineer with experience as a process metallurgist and laboratory manager. For MTB, Michel is managing all engineering, procurement and construction for the Magistral copper project in northern Peru and is also overseeing financial aspects of the Birch Lake base metals project in Northern Minnesota.

MTB is a leading international supplier of project and construction management services to the mining, environmental remediation, and industrial/commercial construction industries. The company also offers important ancillary services, such as mitigation and resolution of construction claims, financial analysis and due diligence, feasibility study preparation and review, logistics management, and project-related community relations.

Inquiries may be directed to MTB Project Management Professionals at (303) 741-9633, by fax at (303) 741-9636, or via email at info@mtb-project.com.
