Terry Morrison Joins MTB Team

GREENWOOD VILLAGE, Colo. – MTB Project Management Professionals Inc. has announced that Terry Morrison has joined the company as a project controls engineer.

Morrison has more than 10 years experience in construction and management, including project controls, project management, and work in construction trades. For MTB, he specializes in providing all aspects of project controls, with a focus on scheduling and cost engineering. Morrison has been assigned to an MTB team that is managing development of the Idaho Cobalt Project in Salmon, Idaho.

MTB is a leading international supplier of project and construction management services to the mining, environmental remediation, and industrial/commercial construction industries. The company also offers important ancillary services, such as mitigation and resolution of construction claims, financial analysis and due diligence, feasibility study preparation and review, logistics management, and project-related community relations.

Inquiries may be directed to MTB Project Management Professionals at (303) 741-9633, by fax at (303) 741-9636, or via email at info@mtb-project.com.
