MTB Selects Laurie Pettingill as Contracts Manager

GREENWOOD VILLAGE, Colo. – MTB Project Management Professionals Inc. has announced that Laurie J. Pettingill has joined the company as a project administrator.

Pettingill is a certified purchasing manager with 20 years of experience managing critical, high-value contracts for large corporations, small companies, government agencies, and the United States Air Force. She has managed contracts and purchase orders in excess of \$300 million on multiple occasions.

For MTB, Pettingill will manage all contracting for the Idaho Cobalt production facility in Kellogg, Idaho, a project that is being developed by MTB. Her expertise will also be made available to MTB's other projects in North and South America.

MTB is a leading international supplier of project and construction management services to the mining, environmental remediation, and industrial/commercial construction industries. The company also offers important ancillary services, such as mitigation and resolution of construction claims, financial analysis and due diligence, feasibility study preparation and review, logistics management, and project-related community relations.

Inquiries may be directed to MTB Project Management Professionals at (303) 741-9633, by fax at (303) 741-9636, or via email at info@mtb-project.com.
