Julie Schandle joins the MTB Team

GREENWOOD VILLAGE, Colo. – MTB Project Management Professionals Inc. has announced that Julie Schandle has joined the company as manager of administration.

Schandle manages all headquarters office functions for the company and also provides high-level administrative assistance to MTB projects. Her responsibilities include information technology, human resources, staff supervision, budgeting, creation and enforcement of policies, office expense monitoring, and other essential office functions.

Schandle also serves as project assistant for the Idaho Cobalt Project in Salmon, Idaho, for which MTB is managing the engineering, procurement and construction. Schandle has more than 15 years of experience in business administration, including work in project management, mining, and process technologies.

MTB is a leading international supplier of project and construction management services to the mining, environmental remediation, and industrial/commercial construction industries. The company also offers important ancillary services, such as mitigation and resolution of construction claims, financial analysis and due diligence, feasibility study preparation and review, logistics management, and project-related community relations.

Inquiries may be directed to MTB Project Management Professionals at (303) 741-9633, by fax at (303) 741-9636, or via email at info@mtb-project.com.
