### **Nick Wells Joins the MTB Team**

GREENWOOD VILLAGE, Colo. – MTB Project Management Professionals Inc. has announced that Nick C. Wells has joined the company as a project engineer.

Wells brings a background in mechanical engineering, geotechnical engineering, metallurgy and environmental protection to MTB's project work. He recently served with distinction as a U.S. Army combat infantry officer in Iraq. For MTB projects, Wells provides engineering oversight, construction supervision, field engineering, logistics coordination and general management assistance.

MTB is a leading international supplier of project and construction management services to the mining, environmental remediation, and industrial/commercial construction industries. The company also offers important ancillary services, such as mitigation and resolution of construction claims, financial analysis and due diligence, feasibility study preparation and review, logistics management, and project-related community relations.

Inquiries may be directed to MTB Project Management Professionals at (303) 741-9633, by fax at (303) 741-9636, or via email at [info@mtb-project.com](mailto:info@mtb-project.com).
