Christopher Wright joins MTB

GREENWOOD VILLAGE, Colo. – MTB Project Management Professionals Inc. has announced that Christopher Wright has joined the company as a project manager.

Wright holds a degree in mining engineering from the Colorado School of Mines and has extensive management, project controls, contracts and auditing experience. His background includes analyzing mining methods and procedures and working directly with exploration geologists. He has performed geologic modeling, drill and blast evaluations, reclamation engineering, surveying, employee training and preparation of engineering reports. He has extensive international experience including work in Venezuela, Boliva, Chile, China, Germany, Indonesia, Canada and Mexico.

MTB is a leading international supplier of project and construction management services to the mining, environmental remediation, and industrial/commercial construction industries. The company also offers important ancillary services, such as mitigation and resolution of construction claims, financial analysis and due diligence, feasibility study preparation and review, logistics management and project-related community relations.

Inquiries may be directed to MTB Project Management Professionals at (303) 741-9633, by fax at (303) 741-9636, or via email at info@mtb-project.com.
